**“A New Perspective on Occlusion and TMD”**

**Friday March 10, 2017**

**Lansing Center - Lansing, MI**

**Course Objectives and Description:**

This lecture will address the following primary topics:

1. Evaluate our occlusion and TMD training to determine what concepts are valid today and what concepts require a new perspective.
2. Understand the role occlusion plays in TMD and the role TMD plays in occlusion.
3. Learn when it is necessary to image the TM joints, learn how to image the TM joints and learn how TM joint imaging will change the treatment plan for the occlusal, orthodontic, restorative, orthognathic and sleep patient.
4. Understand a treatment planning decision tree based on TMD and occlusal risk factors.
5. Discuss practice management concepts that will lead to successful implementation of new occlusion and TMJ concepts.
