“Utilizing the Global Restorative Footprint in Restorative Practice & Identifying Tipping Points to Motivate Change”

September 28-30, 2018

Shanty Creek Resort – Bellaire, MI

Course Objectives and Description:

This lecture will address the following primary topics:

1. Learn specific steps of creating a "Restorative Footprint" before treatment is initiated.
2. Learn the 4 reasons VDO may be altered and the physiological and aesthetic interplay of altering incisal edge position and opening VDO.
3. Understand the "Global Restorative Sequence" and learn practical steps for completing simple and complex restorative treatment along with ways to phase treatment.
4. Know the 1 thing that can motivate you to make change and bridge the gap between "knowing and doing".
5. Realize the changes in clinical techniques and the utilization of modern materials in today's restorative practice.
